All of us from G.L.D.C. Gas would like to wish everyone a Merry Christmas and a Safe and Happy New year

Community Sponsorship

2023 was a busy year supporting local events & charities. We look forward to supporting our community in 2024.

Latest sponsorships for 2023

- 1) G.L.D.C. Gas sponsored the Rimbey Hospital Legacy Committee in support of their 2nd annual Oktoberfest on October 14.
- 2) G.L.D.C. Gas signed up as a participant in the 2023 annual Rimbey Elementary School Chili Cook-Off Fundraiser on September 21. See you all again next year.

Children's Hospitals Sponsorship

The Federation of Alberta, along with its Utilities & Partners, support the Stollery Hospital in Edmonton and Alberta Childrens Hospital in Calgary. Both hospitals are critical to Alberta's rural communities. G.L.D.C. Gas Co-op, along with neighboring Co-ops, had a chance to tour the Stollery and see first-hand, the hard work and dedication of staff to ensure the kids have the help and resources they require.

Annual Achievement Award

The Federation of Alberta Gas Co-op's, annually recognizes deserving students of Members across rural Alberta in academic achievements entering into post-secondary education. Four \$1,000 awards are handed out annually to youth of gas utility members within the Federation, as well as youth of landowners who are serviced by Member Utility Towns, Villages, Counties or First Nations. G.L.D.C. Gas Co-op is proud to announce that **Grace Houston (daughter of Tyler and Juli Houston)** was selected for this year's \$1,000 achievement award. *Congratulations Grace on your future academic studies.*

We hope to see more applicants in 2024. We will continue to reach out to local schools, post the application process on our company Facebook page, company website, and list it in our quarterly newsletter. Deadlines for submissions are October 1 of each year.

Winter Preparedness

With winter upon us, Members should ensure all natural gas appliances are in good working order. Ensure all gas appliances, furnaces and gas fireplaces have had regular maintenance and cleaned. Do not block your furnace, air vents or registers; ensure new furnace air filters are installed. Carbon monoxide detectors should be tested and installed on all levels of your home.
